JANUARY 2023

Dear Parents & Students

Greetings to you all!

Welcome to the New Year 2023. Perfection, Discipline, and Perseverance are the key to success. So I wish in this New Year, all our stakeholders to work hard to be successful in whatever you are engaged. Promise yourself to never give up and this year will be all yours... with lots of luck, I wish you all Happy New Year 2023. I welcome and value your positive energy and dedication to excellence in education.

As humans, we are all created in the image and likeness of God. So the prophet Isaiah says (40/31) those who hope in the Lord God will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and be faint". I wish and pray that we all be blessed and remain blessed in the days to come.

As the saying goes, **'the fear of God is the beginning of wisdom'** – parents have to inculcate in the mind and heart of students the seed of faith and gratitude. Every breath we take is a blessing from God and He blesses everyone one with what is essential for our life. So this year, let us be a blessing for each other and grow in the goodwill of each other. This newsletter (No.4) of January 2023, contains a brief report of the events that had taken place in our school. Here you will also notice the program for the coming months for your perusal and follow up. Due to some unavoidable reason the earlier scheduled **"Parents Day Celebration" has been postponed.** Kindly note the changes.

Thanks

God Bless all

Principal

Republic Day, marks an important milestone in the history of this country. In the year 1950, on this day the Constitution of India came into effect replacing the Government of India Act (1935). It is the longest-written constitution in the world. Thus Indian Republic Day is directly connected to the Constitution of India which is the supreme law of this country. The constitution directs the core instituting the political code, structure, procedures, powers, and duties of government institutions and sets out fundamental rights, directive principles, and the duties of citizens. It ensures India as a secular, sovereign, socialist, democratic republic, assuring its citizens justice, equality and liberty, and fraternity.
